

Deck::printlnPlayCards

Deck::printLibrary

Card::print

```
graph LR; A[Deck::printlnPlayCards] --> C[Card::print]; B[Deck::printLibrary] --> C;
```

The diagram illustrates two calls to the `Card::print` method. Two boxes on the left, `Deck::printlnPlayCards` and `Deck::printLibrary`, have arrows pointing to a single box on the right labeled `Card::print`. The `Card::print` box is shaded gray, while the others are white.
