

CreatureCard::printLine

```
graph LR; A[CreatureCard::printLine] --> B[CreatureCard::capacities ToString];
```

A diagram illustrating a function call. On the left, a white rectangular box with a black border contains the text "CreatureCard::printLine". A dark blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text "CreatureCard::capacities" on the top line and "ToString" on the bottom line.
